Detailed Condition - New — This is a new (unused) item of contemporary design  
Limited Edition - Yes  
Edition Number - one of a kind  
Attribution Marks - Signed by maker, Numbered  
Additional Information - Made by Hand

## CATALOGUE ESSAY

### Contemporary Design

French designer Charly Bounan emphasizes the harmony of materials and form in his works, and also finds it important to give a personal touch to each of his items. This bench is made of altuglas, which requires a remarkable amount of attention and skill to work with. The working production of each part can take up to ten hours, resulting in unique color patterns.
